Attendance Policy

The concentration of work in a summer school session requires nearly perfect attendance for credit to be earned. Students who miss more than ONE day of instruction in a .5 credit class will be removed from the class and not granted credit. Punctuality is also expected. Students arriving after 7:30 will be counted tardy and must receive a pass from the office in Room 133. Three tardies over 10 minutes equal 1 absence. 30 minutes late equals one absence. It is important for students and their parents to plan summer activities, doctor's appointments etc. for before or after the summer school session. Family vacations will not be accepted as excused absences. Court ordered appearances will require signed documentation from court officials. You must have a doctor's note to be granted an excused absence during the summer school session (please note, this will **still** count as your **one day of absence** (per semester and class) per the attendance policy.

School Day

Classes are scheduled Monday through Friday from 7:30 a.m. to 12:35 p.m. beginning Monday, June 28 and ending Friday, July 30. Students are only permitted in the building 10 minutes before their class starts and must be off school grounds 10 minutes after their class is completed. Students must use the pool and library entrances on the east side of the building when entering and leaving summer school and must remain in the general area of summer school classrooms (between Rooms 125-128B; 135-139; 148-154).
