Student Dress

The Board of Education has determined that reasonable regulation of school attire, including the implementation of a school uniform, can further important educational interests including:

- (1) Reducing distraction and loss of self-esteem caused by teasing or competition over clothing;
- (2) Providing an environment where students can focus more on learning;
- (3) Enhancing school safety by making it harder to conceal weapons or contraband;
- (4) Creating a greater sense of community amongst the students;
- (5) Preparing students for the future roles in the professional workplace;
- (6) Creating an atmosphere reflecting seriousness of purpose about education;
