DISTRICT IMPROVEMENT PLAN

Introduction

The East Hartford Public Schools District Improvement Plan represents the evolution of work begun five years ago. Although it has undergone several transformations as a result of extensive professional development, it continues to serve as the blueprint for action and a path to excellence.

The generally upward trajectories in student achievement confirm the application of researched-based strategies can make a difference in student achievement. This result has provided encouragement and motivation to staff.

Although pleased with the district's accomplishments and the progress we have made, sustained focus, reinforcement, and fidelity of implementation must continue to be a priority. Accomplishments, along with current work in progress, encompass many important areas of focus:

Curriculum and Assessment

- Standards-based curricula in all core academic areas;
- A five-year review cycle for curricula ;
- Pacing guides aligned with State benchmarks, grades K-6, 7-12;
- Development of common formative assessments in progress at school levels;
- Identification of priority standards through Making Standards Work (MSW);
- Curriculum-Based Assessments (CBA's) in development;
- Involvement of special education students in classroom and district assessments.

Teaching and Learning

- CReating Independence through Student-owned Strategies (CRISS) and John Collins' professional development Gr. 6-12;
- Columbia Writing Workshop Institute and Connecticut Writing Project;
- Strong early intervention program in Grade 1;
- Effective Teaching Strategies (ETS), including for English Language Learners (ELL);
- Individual Education Plans (IEPs) for special education students with goals/objectives tied to curriculum standards;
- Implementation of new mathematics series, *Growing With Math*, K-5 and *MathThematics*, Grade 6 to support standards-based curriculum;
- Annual summer school programs, grades K-3, 7-12;
- Extended school year program for special education students;
- After-School programs, grades 3-12;
- Full implementation of inclusion; increased time with non-disabled peers;
- Increased numbers of Advanced Placement (AP) classes and student participation;
- District-wide, active participation in all Connecticut Accountability for Learning Initiative (CALI) programs;
- Student Advisories supporting and encouraging student achievement at the high school;
- Participation in *Courageous Conversations* addressing student expectations, rigor, and biases.

Organizational Structure for Leadership and Communication

- Building and grade level data teams operational at all schools;
- Implementation of Positive Behavior Supports (PBS), grades K-12;
- Early Intervention Process (EIP) in all buildings;
- Scientific Research-Based Intervention/Response to Intervention (SRBI/RTI) rollout guided by a district planning team;
- Increased number of advanced placement classes (AP);
- Support to encourage increased enrollment of students in AP and other rigorous courses;
- Implementation of a monitoring and tracking plan for district attendance through Central Registration Department;
- Coordination of discipline data utilizing SWIS (School-Wide Information System);
- Continued implementation of student information system, eSchool Plus, with ongoing professional development;
- Active participation of principals in the hiring process, curriculum committees, development of Board policies, chairing subcommittees such as Kindergarten Orientation, Homework, etc;
- Monthly Administrative Council (all administrators) meetings for professional development based on input from the group;
- Administrators on Curriculum Cabinet, Professional Development Committee, District Data Leadership Team, Early Intervention program Committee (EIP), District Equity Team, Courageous Conversations, Positive Behavior Support (PBS) Team, etc.;
- Bi-monthly Principals' Meetings with agendas developed via input from all participants;
- Bi-monthly Curriculum Cabinet Meetings with agendas developed via input from all participants – district/building administrators, teacher leaders, curriculum specialists.

Parent Involvement

- Parent newsletters distributed from all schools;
- Translation of materials into Spanish;
- Financial support for Parent Leadership Training Institute (PLTI);
- Parent involvement in the development of School Improvement Plans;
- PTO/PTA programs at building levels;
- Fireside Chats initiated by the superintendent and assistant superintendent and hosted by parents in their homes.

The actions outlined in this plan were developed to address the needs of “ALL” students enrolled in East Hartford Public Schools with the primary objective of moving “ALL” students towards the achievement of excellence. To facilitate new learning and support during implementation, professional development is a priority. Teachers, by contract, meet twice during the week at data team and collaborative planning sessions; six shortened days were added to the district calendar, along with four full days reserved for building and/or district professional development needs. Site-based professional development programs, developed by principals, literacy coaches and department heads, focus on building needs which are identified at data team meetings. The District’s Professional Development Committee meets to identify district professional development needs and discuss targeted audiences. All professional development is aligned with the District’s Improvement Plan.

Discussions of progress will occur at all levels with Administrative Council meetings reserved for ongoing reflection of the District Improvement Plan. This plan sets forward ambitious work for staff and sets high expectations for “ALL” students; however, if East Hartford students are to compete successfully in a global society, we must raise the bar.

DISTRICT OVERVIEW

Priority Student Outcomes (Tier I):

1. On the CMT in Reading, Mathematics and Writing, the average grade-level gain in the number of students at or above proficiency over the three-year period of the District Improvement Plan (2008-2011) will be at least 15 percentage points.
2. On the CAPT in Reading, Mathematics, and Writing, the grade-level gain at or above proficiency over the three-year period of the District improvement Plan will be at least 15 percentage points.
3. On the CMT and CAPT, achievement gaps within targeted subgroups (Black, Hispanic, English Language Learners, Special Education and Free/Reduced Eligible) will be reduced by 30% over the three year period of the District Improvement Plan
4. The number of overall suspensions and the number of students suspended in the District will decrease by at least 15 percent over the three-year period of the District Improvement Plan (2008-2011).
5. The number of overall suspensions and the number of students suspended in targeted student subgroups (Black, Hispanic, and Special Education students) will decrease by at least 25 percent over the three-year period of the District improvement Plan (2008-2011).

High-Leverage Adult Work (Tier II):

1. The district will ensure high quality curriculum and instruction at every grade level for all students.
2. The district will ensure a positive social and emotional climate for all students, staff and families in every school across the district.
3. The district will bring the work of the data teams to a high level of proficiency at all levels of the accountability system – instructional, building and district level teams

DR. FRANKLIN H. MAYBERRY SCHOOL IMPROVEMENT PLAN

Introduction

The Dr. Franklin H. Mayberry School Improvement Plan is directly aligned with the East Hartford Public Schools District Improvement Plan. Improving student achievement and building a community of learners is a major focus at Mayberry School. The application of researched based strategies continues to be implemented. In 2008 Mayberry School was selected as a Demonstration School by the Connecticut State Department of Education School Improvement Department. As a demonstration school, the Principal has been assigned an Executive Coach provided by the Connecticut Association of Schools (CAS). A Data Team Facilitator from the Capitol Region Education Council (CREC) has also been assigned to Mayberry School. Monies will also be available to provide additional professional development and support materials and resources to staff. This demonstration project will be funded through June 2010.

Mayberry School is also involved in a Research Study Partnership with the Benchmark Education Company. As an experimental school, Mayberry has been provided Literacy Instructional Materials in grades three and four especially designed to meet the diverse needs of struggling readers, special education students and English Language Learners. Professional development will be provided in the areas of small group reading instruction, use of nonfiction materials and differentiated instruction. These initiatives will support the district's and school's goal of improving reading instruction and student learning.

Curriculum and Assessment

- Standards-based curricula in all core academic areas;
- Pacing guides aligned with State benchmarks, grades K-5
- Development of common formative assessments in progress at school levels;
- Identification of priority standards through Making Standards Work (MSW);
- Curriculum-Based Assessments (CBA's) in development;
- Involvement of special education students in classroom and district assessments.
- Northwest Evaluation Association (NWEA) Reading Assessments

Teaching and Learning

- Research Study Partnership with Benchmark Education Company
- Connecticut State Department of Education Demonstration School Project
- Columbia Writing Workshop Institute and Connecticut Writing Project;
- Strong early intervention program in Grade 1;
- Effective Teaching Strategies (ETS), including for English Language Learners (ELL);
- Individual Education Plans (IEPs) for special education students with goals/objectives tied to curriculum standards;
- Implementation of new mathematics series, *Growing With Math*, K-5;
- Annual summer school programs, grades K-3;
- Extended school year program for special education students;
- Before and After-School programs, grades 3-5;
- Full implementation of inclusion; increased time with non-disabled peers;
- School-wide, active participation in all Connecticut Accountability for Learning Initiative (CALI) programs;
- Participation in *Courageous Conversations* addressing student expectations, rigor, and biases.

Organizational Structure for Leadership and Communication

- Building and grade level data teams operational;
- Implementation of Positive Behavior Supports (PBS), grades K-5;
- Early Intervention Process (EIP) in use at all grade-levels;

- Scientific Research-Based Intervention/Response to Intervention (SRBI/RTI) rollout guided by a district planning team;
- Implementation of a monitoring and tracking plan for district attendance through Central Registration Department;
- Coordination of discipline data utilizing eSchool Plus;
- Continued implementation of student information system, eSchool Plus, with ongoing professional development;
- Active participation of principal in the hiring process, curriculum committees, development of Board policies, chairing subcommittees such as Kindergarten Orientation, Homework, etc;
- Attend monthly Administrative Council meetings as well as bi-monthly Principals' meetings for professional development;
- Principal participates in one or more of the following: Curriculum Cabinet, Professional Development Committee, District Data Leadership Team, Early Intervention Program Committee (EIP), District Equity Team, Courageous Conversations, Positive Behavior Support (PBS) Team, etc.

Parent Involvement

- Parent newsletters;
- Translation of selected written information into Spanish;
- Translators available for parents at Open House, Kindergarten Orientation, Parent-Teacher Conferences, Planning and Placement Team meetings (PPTs) and Early Intervention Program (EIP);
- Special programs provided by the PTO/PTA;

The actions outlined in this plan were developed to address the needs of “ALL” students enrolled in East Hartford Public Schools with the primary objective of moving “ALL” students towards the achievement of excellence. To facilitate new learning and support during implementation, professional development is a priority. Teachers, by contract, meet twice during the week at data team and collaborative planning sessions; six shortened days were added to the district calendar, along with four full days reserved for building and/or district professional development needs. Site-based professional development programs, developed by principals, literacy coaches and department heads, focus on building needs which are identified at data team meetings. The District’s Professional Development Committee meets to identify district professional development needs and discuss targeted audiences. All professional development is aligned with the District’s Improvement Plan.

MAYBERRY SCHOOL IMPROVEMENT PLAN

OVERVIEW

Priority Student Outcomes (Tier I):

1. On the CMT in Reading, Mathematics and Writing, the average grade-level gain in the number of students at or above proficiency over the three-year period of the School Improvement Plan (2008-2011) will be at least 15 percentage points.
2. On the CMT, achievement gaps within targeted subgroups (Black, Hispanic, English Language Learners, Special Education and Free/Reduced Eligible) will be reduced by 30% over the three year period of the School Improvement Plan
3. The number of overall suspensions and the number of students suspended at Norris will decrease by at least 15 percent over the three-year period of the School Improvement Plan (2008-2011).
4. The number of overall suspensions and the number of students suspended in targeted student subgroups (Black, Hispanic, and Special Education students) will decrease by at least 25 percent over the three-year period of the School improvement Plan (2008-2011).

High-Leverage Adult Work (Tier II):

1. Mayberry School will ensure high quality curriculum and instruction at every grade level for all students.

Dr. Franklin H. Mayberry School
Action Plan to Implement Strategic Work for Improvement
CURRICULUM and INSTRUCTION

Priority Student Outcomes (Tier I): List the prioritized student goals that this action plan is designed to achieve.

- On the CMT in Reading, Writing and Mathematics, the average grade-level gain in the number of students at or above proficiency over the three-year period of the School Improvement Plan will be at least 15 percentage points.
- CMT achievement gaps within targeted subgroups (Black, Hispanic, English Language Learners, Special Education and Free/Reduced Eligible) will be reduced by at least 30 percent over the three year period of the School Improvement Plan.

High-Leverage Adult Work (Tier II): Identify the prioritized area of high-leverage adult work that this action plan is designed to address and provide a rationale for selection of this work.

Strategic work:

- Mayberry school will ensure high quality curriculum and instruction with an emphasis on literacy at every grade level for all students.

Rationale:

- Research from the Leadership and Learning Center supports the implementation of a standards-based curriculum that includes the identification of priority standards and appropriate, effective teaching strategies to improve student achievement.
- Research published by Dr. Richard Allington, editor and contributing author of *No Quick Fix*, emphasizes the importance of strong literacy instruction for all students, especially in K-2, so that “on-grade” level reading skills can be achieved by grade 3.

Person(s) Responsible: List by name and position the person(s) responsible for implementing this Action Plan.

- Principal, Jenny Correa
- Literacy Coach, Keva Griggs
- Building Data Team
- Bilingual and ELL Teachers
- Early Intervention Process (EIP) Committee

Action Plan Strategies: Describe in detail the strategies that will be employed to implement this action plan. Strategies must include a detailed description of the specific actions that will be taken, including timelines, and other relevant information, as appropriate.

- Disseminate standards-based English/Language Arts (ELA) curriculum documents with identified Grade Level Expectations (GLE), prioritized standards and pacing guides.
 - Year One
 - Implement and monitor pacing guides (for example, Research Study Partnership with Benchmark Education Company)
 - Utilize district literacy team to provide support to instructional staff;
 - Collect feedback from implementation and student achievement data for possible revision.

- Year Two
 - Implement and monitor the revised pacing guides based on feedback from implementation in year one;
 - Utilize district literacy team to provide support to instructional staff;
 - Continue professional development (provided by building level and department level personnel), including vertical meetings by grade level.
- Year Three
 - Monitor fidelity of curriculum/pacing guide implementation through grade-level and/or building level data teams.
- Integrate literacy in all content areas.
 - Year One
 - Attend Effective Teaching Strategies for English Language Learners (ETS for ELL) for principal, literacy coach and teacher leaders;
 - Develop a plan to support staff with on-going professional development for ETS for ELL.
 - Year Two
 - Implement and monitor professional development plan from year one;
 - Implement and monitor the use of Effective Teaching Strategies for English Language Learners in literacy and mathematics.
 - Year Three
 - Monitor professional development plan from years one and two;
 - Monitor the use of Effective Teaching Strategies for English Language Learners in literacy and mathematics.
- Incorporate literacy standards and strategies in all content areas (Grade Level Expectations).
 - Year One
 - Collaborate with the district to provide professional development for all staff, such as Readers' Workshop/Writers' Workshop and Benchmark Education Company
 - Continue implementation of Effective Teaching Strategies, Blueprint for Learning/Beyond the Blueprint and other literacy focused work;
 - Use Site Education Team (SET) classroom visit protocol to identify short term and long term professional development needs in differentiating instruction;
 - Provide literacy blocks of at least 90-minutes of uninterrupted time for instruction, K-5, and investigate additional opportunities for focused literacy interventions;
 - Analyze, share and replicate, where appropriate, successful flexible grouping practices, K-5.
 - Year Two
 - Embed literacy standards and strategies in all content areas
 - Apply common reading and writing scoring rubrics developed collaboratively among and within content areas, K-5;
 - Implement professional development identified through Site Education Team (SET) classroom visits;
 - Monitor the effective use of the uninterrupted 90-minute literacy blocks, K-5, and additional opportunities for focused literacy intervention;
 - Continue to share and replicate successful flexible grouping practices, K-5.
 - Year Three
 - Ensure alignment of revised curriculum and instructional practices as demonstrated by units, activities, collaborative lessons that incorporate literacy standards and strategies, K-5, through vertical meetings among grade levels and across grade levels.
 - Evaluate and revise, if necessary, common reading and writing scoring rubrics,

K-5.

- **Ensure application of culturally responsive pedagogy and Effective Teaching Strategies (ETS), including ETS for English Language Learners (ELL) at every grade.**
 - **Year One**
 - **Assess consistency of implementation of Effective Teaching Strategies (ETS) across grade-levels;**
 - **Continue professional development in Effective Teaching Strategies (ETS) as needed;**
 - **Include training in Effective Teaching Strategies for English Language Learners.**
 - **Year Two**
 - **Monitor consistency of implementation of Effective Teaching Strategies, including Effective Teaching Strategies for English Language Learners;**
 - **Provide implementation support as needed.**
 - **Year Three**
 - **Support, monitor and adjust implementation of instructional strategies.**
- **Implement a Scientific Research-Based Intervention/Response to Intervention (SRBI/RTI) model.**
 - **Year One: Focus on consensus building around Scientific Research-Based Intervention/Response to Intervention (SRBI/RTI) and ensuring high quality Tier I instruction:**
 - **Implement East Hartford's SRBI model, which will also address the identification of learning disabled students by the end of 2008-2009 school year;**
 - **Ensure proper integration of Scientific Research-Based Interventions (SRBI) with current Early Intervention Process (EIP) practices.**
 - **Year Two: Focus on making decisions about more strategic and intensive intervention (Tiers II and III).**
 - **Monitor and evaluate the fidelity of implementation of universal applications of literacy strategies for all students;**
 - **Implement the tiered model developed in year one across the district and monitor effect on student achievement through data analysis.**
 - **Year Three: Focus on evaluation of the implementation of the district's tiered model.**
 - **Evaluate effectiveness of tiered intervention strategies through analysis of student achievement data (progress monitoring);**
 - **Adjust instructional strategies and tiered intervention to meet the needs identified in the data.**
- **Evaluate and revise schedule/structures to support improved student achievement.**
 - **Year One**
 - **Evaluate and revise schedules and allocation of adult resources to provide additional literacy instruction to selected students;**
 - **Provide extended literacy opportunities beyond the uninterrupted 90-minute literacy block.**
 - **Year Two**
 - **Continue to monitor schedules and allocation of adult resources using student achievement data from state and district assessments.**
 - **Year Three**
 - **Continue to monitor schedules and allocation of adult resources using student achievement data from state and district assessments.**

Results Indicators: Process and Product: Describe the data sources, assessment measures, and success criteria that will be used to monitor the degree to which the Action Plan strategies are 1) being implemented with fidelity as proposed, and 2) having a positive impact adult practices, and 3) achieving the specified Tier I goals for students.

- **School will gather Site Education Team (SET) classroom data at least every 6 weeks to share with the District Data Team. Data will reflect increasing implementation of Making Standards Work (MSW), Effective Teaching Strategies (ETS) and differentiation in lesson plans. Full implementation will be achieved by the end of the three year period.**
- **Analysis of the results of selected district assessments (as identified in the district assessment calendars) will show over time an increase in achievement and a decrease in the achievement gap of students in identified subgroups.**
- **Evaluations will demonstrate that professional development is of high quality and that additional professional development needs are identified and referred to the district professional development committee.**
- **Annual review of CMT and district assessment data will demonstrate continuous progress over time toward achievement of the Tier I academic goals for overall performance and reduction of achievement gaps.**

Dr. Franklin H. Mayberry School
Action Plan to Implement Strategic Work for Improvement
SCHOOL CLIMATE

Priority Student Outcomes (Tier I): List the prioritized student goals that this Action Plan is designed to achieve.

- The number of suspensions will decrease by at least 15 percent over the three-year period of the Mayberry School Improvement Plan (2008-2011).
- The number of suspensions in targeted subgroups (Black, Hispanic and Special Education students) will decrease by at least 25 percent by 2011.

High-Leverage Adult Work (Tier II): Identify the prioritized area of high-leverage adult work that this action plan is designed to address and provide a rationale for selection of this work.

Strategic Work:

- Mayberry school will ensure a positive social and emotional climate for all students, staff and families.

Rationale:

- Research from the Pacific Education Group (*Courageous Conversations*) indicates that students of color engage in learning more effectively within a positive environment that is culturally relevant and respectful of their needs.
- In her keynote address to all East Hartford Public School staff in August 2007, based on the research in her book, *From Rage to Hope*, Dr. Crystal Kuykendall emphasized the need to create a positive learning environment for Black and Hispanic students by knowing their culture, learning about their backgrounds and the understanding the effect institutional barriers and school related obstacles have on behavior and performance.
- Alfred Tatum, *Teaching Reading to Black Adolescent Males*, indicates that culturally relevant curricula engage students while decreasing acting out behaviors.

Person(s) Responsible: List, by name and position the person(s) responsible for implementing this Action Plan.

- Principal, Jenny Correa
- Literacy Coach, Keva Griggs
- Building Data Team
- Student Support Center Tutor
- Positive Behavior Support Committee
- Early Intervention Process (EIP) Committee
- Student Support Center Tutor

Action Plan Strategies: Describe in detail the strategies that will be employed to implement this action plan. Strategies must include a detailed description of the specific actions that will be taken, including timelines, projected costs, funding sources, and other relevant information, as appropriate.

- Participate in professional development on improving school climate through Connecticut Accountability for Learning Initiative (CALI) School Climate training.
 - Year One
 - Attend professional development opportunities for building administrators and selected staff in school climate.

- Year Two
 - Develop and implement a school-wide “roll-out” plan on school climate.
- Year Three
 - Maintain on-going professional development access and provide support to new and selected staff.
- Increase engagement of families in support of positive student behavior.
 - Year One
 - Administer and analyze Connecticut Accountability for Learning Initiative (CALI) climate survey for families, students and staff to establish baseline data.
 - Share initial information with all members of the school community.
 - Identify focus areas and implement selected strategies to increase family engagement.
 - Assure parent/guardian involvement in Early Intervention Process (EIP) meetings and the development of interventions.
 - Provide translators as needed and disseminate information in alternate languages where possible.
 - Year Two
 - Continue to implement strategies for selected focus areas.
 - Administer and analyze Connecticut Accountability for Learning Initiative (CALI) climate survey as identified in year one.
 - Continue to share survey information with entire school community.
 - Revise/adjust strategies and collect Positive Behavior Support data in focus areas.
 - Monitor integration of Positive Behavior Support (PBS) and Early Intervention Process (EIP) structures.
 - Year Three
 - Modify year two strategies as indicated by analysis of survey and PBS data.
 - Continue to collect data and disseminate results to entire school community.
- Assure consistency of implementation of Positive Behavior Support (PBS) using Scientific Research-Based Intervention/Response to Intervention (SRBI/RTI) model.
 - Year One
 - Assess 2007-2008 Positive Behavior Support (PBS) School-Wide Evaluation Tool (SET) data to determine level of consistency throughout the building. (Tier 1).
 - Utilize professional development and technical assistance to support implementation, as needed.
 - Analyze student data on behavior collected from eSchool Plus data base.
 - Year Two
 - Continue training and implementation of Positive Behavior Support.
 - Analyze student data on behavior collected from eSchool Plus data base.
 - Year Three
 - Continue training and implementation of Positive Behavior Support.
 - Analyze student data on behavior collected from eSchool Plus data base.
- Ensure consistency in application of disciplinary consequences.
 - Year One
 - Follow disciplinary procedures and consequences developed by district.
 - Ensure student support center tutors attend district training in the features of the discipline module of eSchool Plus to create consistency in data recording.
 - Year Two
 - Analyze the 2008-2009 Positive Behavior Support (PBS) School-Wide Evaluation Tool (SET) assessments to determine the needs of the school.
 - Provide feedback to district on professional development and technical assistance needed to support implementation.
 - Analyze student data on behavior collected from eSchool Plus data base.

- **Year Three**
 - **Monitor fidelity of implementation and consistency of application by reconciling building data in eSchool Plus.**
 - **Provide feedback to district on professional development and technical assistance needed to support implementation.**

Results Indicators: Process and Product: Describe the data sources, assessment measures, and success criteria that will be used to monitor the degree to which the Action Plan strategies are 1) being implemented with fidelity as proposed, and 2) having a positive impact on adult practices, and 3) achieving the specified Tier I goals for students.

- **Positive Behavior Support (PBS) School-Wide Evaluation Tool (SET) assessments will demonstrate a minimum level of 80% in consistent application of Positive Behavior Support practices.**
- **Discipline data will show incremental reductions in the number of disciplinary referrals from the baseline, as established in 2008-09.**
- **Suspension data will show incremental reductions of suspensions (In School Suspensions/Out of School Suspensions) averaging 10% per year as measured against the baseline of Year 2007- 08.**
- **Survey data will show increasingly positive perceptions in selected focus areas on the school's climate survey.**
- **Data will show an increase of 10% per year in family/parent/guardian participation in EIP meetings and other identified school/parent activities.**

Dr. Franklin H. Mayberry School
Action Plan to Implement Strategic Work for Improvement
DATA TEAM

Priority Student Outcomes (Tier I): List the prioritized student goals that this action plan is designed to achieve.

- **On the CMT in Reading, Writing and Mathematics, the average grade-level gain in the number of students at or above proficiency over the three-year period of the District Improvement Plan will be at least 15 percentage points.**
- **CMT achievement gaps within targeted subgroups (i.e. Black, Hispanic, English Language Learners, Special Education and Free/Reduced Eligible) will be reduced by at least 30 percent by 2011.**

High-Leverage Adult Work (Tier II): Identify the prioritized area of high-leverage adult work that this action plan is designed to address and provide a rationale for selection of this work.

Strategic Work:

- **The school will bring the work of the data teams to a high level of proficiency.**

Rationale:

- **Research from the Center for Leadership and Learning supports the systematic use of data for improving student achievement. DuFours' research regarding Professional Learning Communities further supports the connection between the use of data and improved student achievement.**
- **Michael Schmoker's research explicated in *Results Now* suggests that timely use of assessment data to drive instruction leads to improved student achievement.**

 - Year Three
 - Continue to collaborate with the district to provide new staff with training in key district initiatives.
 - Continue to provide district with feedback on coaching/technical assistance needed to support use of eSchool Plus and other data sources.
- Implement the use of district-wide benchmark assessments in literacy, numeracy and other selected content areas
 - Year One
 - Provide feedback to the district in the use of the current district assessment plan with respect to:
 - Current formative assessments and revisions
 - Current benchmark assessments
 - Analyze and monitor student results to make instructional decisions within the data team process.
 - Year Two
 - Implement revised/established district assessment plan (i.e. benchmark plan K-5, formative assessments and selected content area benchmark assessments).
 - Continue to analyze student results and provide feed back.
 - Year Three
 - Monitor the district's assessment plan and provide feedback to the district.
 - Continue to analyze student results and provide feedback.

Results Indicators: Process and Product: Describe the data sources, assessment measures, and success criteria that will be used to monitor the degree to which the Action Plan strategies are 1) being implemented with fidelity as proposed, and 2) having a positive impact adult practices, and 3) achieving the specified Tier I goals for students.

- **Agenda and minutes from School Data Teams will demonstrate communication and collaboration between grade-level teams.**
- **The principal will review the data team minutes from each grade-level to ensure consistent application of protocol.**
- **The principal will analyze and summarize data team proficiency in their buildings based on application of data team rubrics.**
- **Site Education Team (SET) classroom data shared with the school faculty will show that increasing percentages of classrooms are implementing the revised curriculum, including the Effective Teaching Strategies and differentiation in lesson plans.**
- **As a result of proficient data teams, SET data will demonstrate 100% implementation by 2011.**

Connecticut State Department of Education
Addendum to School and District Improvement Plans
for Technical or Other Assistance Provided by the CSDE to Meet the
Requirements of Sec. 1116 of NCLB

(This addendum must be attached to all school and district improvement plans)

The Connecticut State Department of Education (CSDE) will support the school and district improvement process through the Connecticut Accountability for Learning Initiative (CALI). The initiative will serve as a professional development vehicle and will:

- focus on the district as the primary change agent;
- create a culture of professional learning communities in schools, districts, and the state;
- differentiate support based on individual district and school needs; and
- increase student achievement for all students.

The CSDE will provide technical assistance to districts and schools who have been identified as “in need of improvement”. This support will be provided by the CSDE in conjunction with:

- Regional Education Service Centers (RESCs);
- State Education Resource Center (SERC);
- Cambridge Education;
- Connecticut Association of Schools (CAS); and
- The Leadership and Learning Center.

The following types of support will be provided to district and school-level improvement teams, with priority given to Title I schools and districts identified as “in need of improvement”:

- telephone technical assistance;
- site visits;
- guidance in the development and implementation of improvement plans;
- professional development focused on accountability for student learning, data-driven decision-making, implementation of data teams, understanding standards, and aligning standards instruction and assessment; effective teaching strategies and common formative assessments;
- on-site job-embedded professional development follow-up and support; and
- coaching for principals and superintendents.

The CSDE and the School Improvement and Literacy Unit shall coordinate communication between all stakeholders while working to unify school and district improvement efforts in the state.
