

A Message from Superintendent Quesnel:

I wanted to provide you with an update regarding our uniform company, Inchworm. They are continuing to fill orders as quickly as possible. However, due to shipment issues with the manufacturer, there will be a delay with student's receiving their orders prior to the start of school. Inchworm has assured us that the orders currently in process should be filled within the first few weeks of school. For those of you who have received your uniforms please have your children wear them. For those of you whose orders have not yet been received if possible have your children wear last year's uniform or you may provide a copy of your order receipt to the school office. We have notified your schools of the delay and the process we have asked you to follow. We will continue to keep you informed of any changes. Thank you for your patience and if you have any questions or concerns please contact my office.

Secondly, we wanted to remind you that Students attending East Hartford Public Schools will receive free school meals through the National School Lunch Program (NSLP) and the School Breakfast Program (SBP).

And lastly, the start to a new school year is an incredibly busy time for school transportation. Please keep the following numbers handy regarding our transportation system: If you need to Contact the Board of Education Transportation Coordinator the number is 860-622-5139 and if you need to call Dattco Bus Company, the number is 860-904-9783. Parents are reminded to have their child at the designated bus stops at least (10) minutes before his/her scheduled pick-up. And finally, all bus routes will be published in The Gazette.

Enjoy these last few days of summer.

Sincerely,

Nathan Quesnel
Superintendent
