What is Flipgrid?

An online platform where students can respond to teacher prompts via video; depending on teacher preference, students can view each other's videos and respond with videos of their own.

Can be accessed via web browser (if the student has a webcam) or app (iOS and Android).

The Flipgrid logo is a bright green speech bubble shape with the word "Flipgrid" written in white, bold, sans-serif font inside it.

Due 2/14 for full credit (en español, obvio). What is your favorite class? Where is it? When is it? Why is it your favorite class? What do student normally do in that class? What does the teacher do? Speak for at least 30 seconds off the top of your head. Reading off a paper will result in a maximum grade of 50%.

2. Students respond to a teacher-recorded video.

15 Topics

We know that practicing asking questions is a crucial part of moving from Novice speaker to Intermediate speaker - so watch my video and feel free to ask me anything appropriate in Spanish! Bonus points for more than one question. 😊

Questions can only be asked in Spanish, and should be off the top of your head (not read off a piece of paper!). ***Videos will be made public to the class so I can respond to your questions.

3. Students respond to each other.

Due 2/28 for full credit (en español, obvio)

Watch the Mr. Bean clip attached to this assignment or, go to this link:
<https://www.youtube.com/watch?v=3alfMX7FBbI>

After you watch, narrate in as much detail as you can what happened. You should talk for at least 1 minute to get full credit. You may take notes, in English, on a piece of paper and refer to that while you talk in Spanish, as long as you show me the paper on screen before you start. Anyone reading in Spanish will receive a 50%.

Let's Go!

3. Create your first “grid”(class).

I suggest asking students to use their EHHS gmail's to access your Grid - it's the safest option for them and the easiest option for you!

Let's Make a Grid!

Name your Grid **Required**

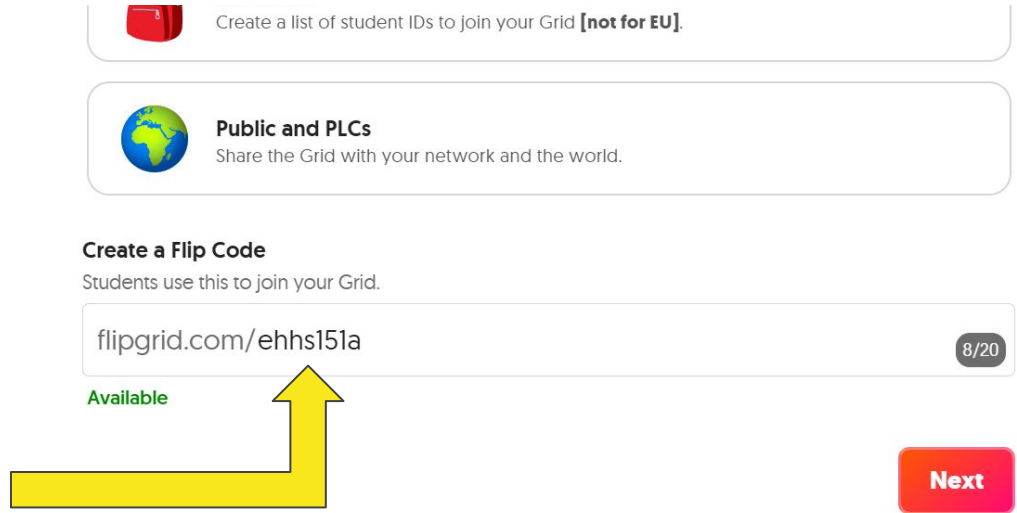

Select a Grid Type **Required**

Grid types make it easy to control who can join. [Learn more](#)

-  **School Email**
Students join using their Microsoft or Google school email.
-  **Student ID**
Create a list of student IDs to join your Grid **[not for EU]**.
-  **Public and PLCs**
Share the Grid with your network and the world.

4. Create a “Flip Code” (class ID for your kids).

***I suggest making it
SUPER OBVIOUS and EASY
for your kids ... I use a
combo of ehhs + my room
number + the class period

The screenshot shows the Flip Grid interface with three main sections:

- Red Book Icon:** "Create a list of student IDs to join your Grid [not for EU]."
- Earth Icon:** "Public and PLCs" with the subtext "Share the Grid with your network and the world."
- Create a Flip Code:** "Students use this to join your Grid." Below this is a text input field containing "flipgrid.com/ehhs151a". To the right of the field is a "8/20" indicator. Below the field, the word "Available" is written in green. A large yellow arrow points from the text "number + the class period" in the text on the left to the "151a" part of the URL in the input field.

At the bottom right of the interface is a red "Next" button.

5. Make sure only people with an EHHS email can access your Flipgrid classroom!

The auto-option is any @gmail.com email address ... remove this and add in the domain @easthartford.org

School Email

Students enter the Flip Code and verify their school email using Microsoft or Google.

Add School Email

We added your school email already. Add your students' school email if it's different from yours.

 **Two quick notes:**

- A Microsoft or Google account is required.
- Add multiple domains if educators and students have different email domains.

6. Congrats! You've made your first Grid (class page).

Flipgrid gives the option to share the Grid link straight to your Remind or Google Classroom pages!

7. Your Grid comes pre-loaded with a welcome assignment.

Feel free to delete that.

The screenshot displays the Flipgrid interface. At the top left, there is a red button labeled "Add New Topic". To its right, the text "1 Topic" is followed by "0 videos", "0 views", and "0 hours of". Below this, a table lists topics. The first row has a checked checkbox under the "Actions" column and the title "Hello on Flipgrid!". A context menu is open over the first row, listing four actions: "Activate Topic" (smiley face icon), "Hide Topic" (sweating face icon), "Freeze Topic" (snowflake icon), and "Delete Topic" (red prohibition sign icon). A yellow arrow points to the "Delete Topic" option.
