2. Printable PDF- Easy to send home or take a screenshot & send through e-mail.

PDF instructions on how to join **Fab Fourth**

The image shows a PDF document from the Remind app. At the top left is the Remind logo. The main heading is "Sign up for important updates from My Class." Below this is a sub-heading: "Get information for My Class right on your phone and on desktop." The document is titled "Here is how to receive messages for My Class:" and contains two sections. The first section, "If you have a smartphone, get push notifications," includes instructions to visit mtd.us/code on a phone or browser, and a screenshot of the app's sign-up screen with fields for "Full Name", "Email and Last Name", "Phone Number (with area code)", and "PIN: 555-5555". The second section, "If you don't have a smartphone, get text notifications," includes instructions to text the message "code" to the number 87010, and a screenshot of a text message from 87010 with the word "code" in the body. At the bottom, there is a note: "Don't have a mobile phone? Go to mtd.us/code on a desktop computer to sign up for email notifications."

Invite Families- 4 Ways

3. In person

Tell people to text @474g98 to the number 81010

They'll receive a welcome text from Remind.

If anyone has trouble with 81010, they can try texting @474g98 to (402) 403-6749.

Invite Families- 4 Ways

4. Share a Link through E-Mail

Share this link any way you like!

This link includes your class code, so anyone who has it can join your class instantly.

Underneath the header is a white box with the text "Trail of Tears". At the bottom, there is a white box with the title "Freckle Student Dashboard", the text "Practice Math and ELA in your Freckle account and earn coins for the...", and the URL "student.freckle.com" below it.

Things to Share

Whole Group Communication:

Newsletters- (I like to compose in a PPT format and take a screenshot of my newsletter to send as an image.

You are limited to 140 characters- so that is why I send a newsletter out.

One on One Communication:

What to do while we are out of school
Mrs. Messier's Class Suggestions

Here are some suggestions to keep you kid's minds busy in academics while we are out of school due to Covid-19.

- www.commoncoresheets.com
Choose any grade 4 concepts - one at a time.
- www.interactivesites.weebly
Great site for all subjects. Choose concepts in math, reading, & social studies (westward expansion) & maps.
- www.freckle.com Class Code: **messi4**
Students can continue to work on concepts in reading & math.

4th Grade Mixed Fractions (Same Denominator) ☆
Each worksheet has 12 problems adding or subtracting mixed fractions with the same denominator.

Independent Reading:
Please continue to read daily for at least 25 minutes in your "just-right" book.

Practice math facts

- Keep active.
- Help out at home.
- Keep a routine.

Phone Conferences (reschedule) & Report Cards will be sent home once school resumes.

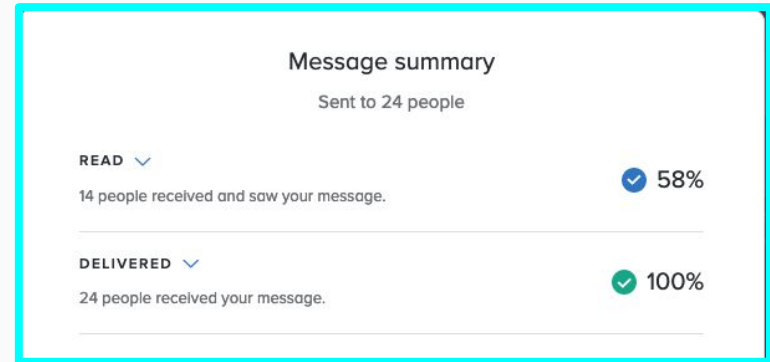

Week of March 13th to March 27th
messier.td@easthartford.org

Checking- Delivery & Read Messages

1. Simply click on your class name (Fab Fourth) on your message.

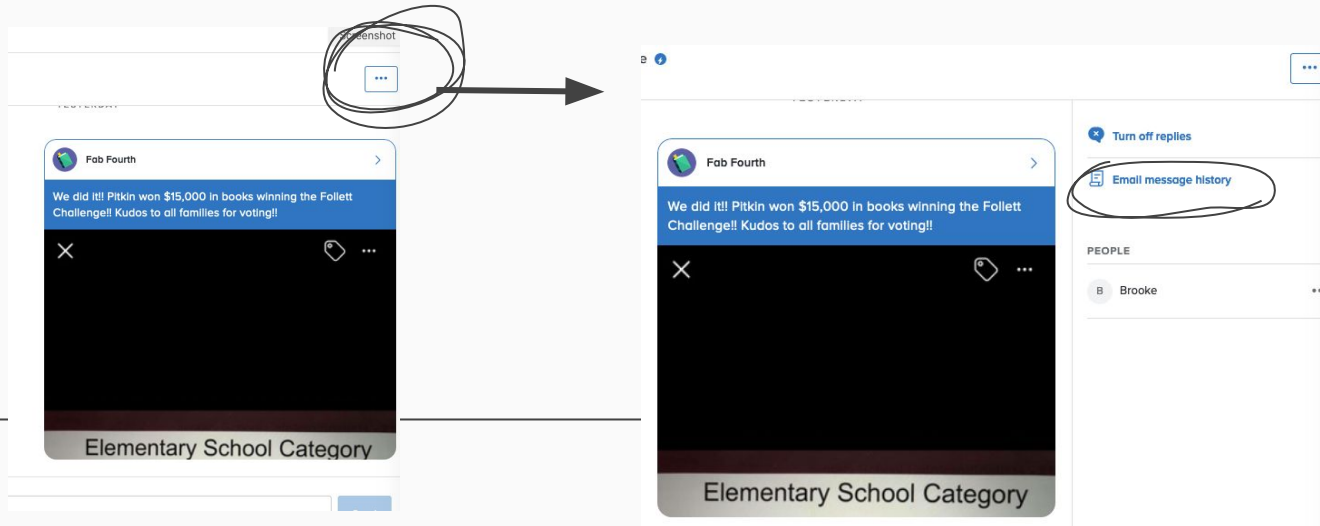

2. A window will open up to summarize delivery status.

Message History

You can print out communication history- Remind will send a direct e-mail summarizing communication. Simply click on the 3 horizontal dots to open up the menu. Click on message history to initiate.
