

Dear EHPS Families,

I hope this letter finds all of you safe and healthy. I understand that this is a difficult and challenging time for all of us. The nurses in the district are ready to support you and your child with any health questions or concerns you may have. Please note, this list is not meant to replace services from your Primary Care Provider, but they are here to assist in any way they can.

The nurses in the district will now be available to you remotely. All nurses will have posted office hours every day and you may locate these hours on the District Learning Plan under Community Resources. You may contact them by email with any questions or concerns. If you are unsure as to whom your nurse is, here is a list of all the nurses in the district with their email addresses.
