Chairman's Report

Bryan R. Hall

Chairman Hall opened the meeting by sharing that the Board met with representatives from the New England Association of Schools and Colleges (NEASC) as they conducted their visit at EHHS. The District looks forward to its ongoing accreditation.

Chairman Hall noted that there are 65 policies on the agenda that have come out of the Policy and Audit Sub-Committee headed for first read. The Board conducted an extensive policy overhaul nearly 2 years ago, transitioning to templates provided by Shipman and Goodwin. The policies on the agenda are simply updates, grammatical revisions or simple name changes. For example, clarifying that the phrase "Board" means "the East Hartford Board of Education." Our Policy and Audit Sub-Committee reviews policies with our administrative team and will continue to flag substantive changes.

In anticipation of the Mid-Year Progress Report presentation by Superintendent Quesnel, Chairman Hall stated that a lot of things look different as EHPS transitioned away from the traditional continuous improvement process, the District Improvement Plan, to execute our highly complex and adaptive ReOpening plan. He shared his appreciation for the work the Superintendent's team put into the reports being presented and the level of professionalism we have come to expect as a Board. Chairman Hall encouraged the board members to review the reports carefully.

Lastly, Chairman Hall noted that Benjamin Whittaker will be presenting the Second Quarter Financial Report. Chairman Hall shared how happy he is to see that our current fiscal year budget is relatively on track despite some variances due to COVID as we head to Council Chambers on February 24. Chairman Hall extended an invitation to each of the Board members to show their support of the budget through their presence on February 24.

The preliminary utilization parameters are similar to ESSERF 1, but expand upon allowable facilities projects, IT devices, educational "catch-up" programs, and continuity of operations that were impacted by COVID. Once the grant is approved, final planning, procurement and implementation will occur.

Mid-Year Progress Report

Nathan Quesnel, Superintendent

The Mid-Year Report for East Hartford Public Schools (EHPS) serves as an accountability and narrative marker of the work of the district for School Year 2020-2021. Traditionally, the Mid-Year Report provides an opportunity to report progress on the annual District Improvement Plan (DIP) by both identifying work completed and core benchmarks achieved in data. Recognizing the unique nature of School Year 2020-2021, this year's Mid-Year Report instead focuses on the implementation of the EHPS ReOpening Plan from July 1, 2020-January 31, 2021. Organized at the Senior Team Division level, the report is intended to capture major accomplishments to date as well as immediate next steps. It is the hope of the authors of the report that the report presented can serve to document the incredible narrative of a school district seeking to fulfill its vision and mission in a time of unprecedented challenge.

Second Quarter Financial Report

Benjamin Whittaker, Chief Operations Officer

Mr. Whittaker presented the second quarter financial report. This report and the "FY 2021 Mid-Year General Budget Review" financial analysis tool covers the 6- month period beginning July

1, 2020 and ending December 31, 2020. The EHPS budget is an annual budget, so quarterly reports are cumulative in nature. The goal of the Q2 report is to analyze actual Year-To-Date (YTD) expenditures and encumbrances (costs which have been isolated or orders placed, but not yet invoiced) and begin to identify items that are trending towards either being over or under budget by the end of the fiscal year. The major Quarter 2 areas of interest include: transportation, SPED tuition, Magnet tuition, Woodland tuition, unemployment claim expense, staff vacancies, substitute teachers, copiers/printers, foodservice.
