

SILVER LANE ELEMENTARY SCHOOL
SAFE SCHOOL CLIMATE PLAN
2018-19

National School Climate Standard	Current School Status (informed by data) To What Extent is This Evident?	Areas Identified as Needing Improvement	Identified Strategies to Realize Improvement	Measurement and Documentation Options for Determining Improvement	Time Line for Reaching Improvement Goals
<p>Standard 1: Shared Mission Is it evident that all members of the school community are committed to physical, emotional and intellectual safety of the learners?</p>	<ul style="list-style-type: none"> *Utilize training for safety responses, fire, lockdown, evacuation drills *Train all staff in Mandated Bullying training *All staff will consistently implement PBIS/ Restorative practices as part of prevention and intervention strategies *School-wide bullying awareness and prevention instruction taught through (Second Step Program/ SEL) *Align with DIP; learning about trauma-informed practices *Safe School Committee (PBIS/SSC/ Crisis) team will assess program, policies, and practices through data collection: <ul style="list-style-type: none"> ▪ PowerSchool Reports ▪ Student, staff, parent surveys *Safe School Committee (SSC) team will share reports with school community regarding 	<ul style="list-style-type: none"> *Staff will continue to review and reflect upon safety and response protocols *Improved anti-bullying lessons school-wide, linked to Second Step/ SEL *Continued team meetings to review student safety and behavioral needs within the tier 1 environment *Continued communication regarding all safety plans for students to include families and support staff *Continued refinement of data collection practices and reflections of staff to improve core practices 	<ul style="list-style-type: none"> * Revise safe school climate plan <ul style="list-style-type: none"> ▪ Utilize professional learning time to focus on school climate data, progress and strategies for improvement • Continue to focus on Tier I, II and III behaviors to identify strategies/plans of support *Principal will fill the role of safe school climate specialist to: <ul style="list-style-type: none"> ▪ Develop and oversee the investigative/supervisor y elements of reported acts of bullying ▪ Maintain records of reports and verified acts of bullying ▪ Coordinate anti-bullying practices *Staff will understand the revised definition of bullying and reporting procedures for occurrences 	<p>*Continued review of the climate plan to:</p> <ul style="list-style-type: none"> • Monitor and review building safety procedures • Monitor the progress and development of PBIS/ SEL/ Second Step lessons • Analyze school-wide discipline data to determine effectiveness and areas for improvement • Refine the reporting and verification process of bullying • Review student, staff and parent climate surveys to gather feedback on implementation strategies 	<p>2018-2019 School Year</p>

<p>Standard 1: Shared Mission Do participants share a vision of what a Safe School Committee looks, feels and sounds like?</p>	<p>progress</p> <p>*The PBIS/SSC has been active for several years. As a team, they have refined the process of defining behaviors and responses using a tiered system</p> <ul style="list-style-type: none"> • PBIS/SSCC will continue to link the school's efforts to the DIP and SIP 	<p>*The PBIS/SSCC will continue to create a shared understanding of the SEL standards, universal design and application of core practices, programs, and definitions of behaviors and responses in Tiers I, II, III</p>	<p>* PBIS/SSCC will collaborate with staff, students, and parents. The SSC will continue to serve as the conduit to create further understanding, development, and enhancement of a Safe School Committee in the following manner:</p> <ul style="list-style-type: none"> ▪ Continue to articulate, model and reinforce school wide PBIS expectations ▪ Focused effort on developing core classroom practices/interventions to meet student needs in alignment with SEL standards ▪ Continued collaborative development of Tier II/III interventions, and exit criteria ▪ Improve participation and awareness of PAWS incentive program to staff and students to support displays of positive behaviors and choices 	<p>*Staff, student and family surveys will assess current practices and to identify areas of growth</p>	<p>2018-2019 School Year</p>
---	--	---	---	---	------------------------------

<p>Standard 1: Shared Values What are the shared values?</p>	<p>*Our <i>PBIS Core Values</i> are: -Respect -Responsibilities -Self-Control</p> <p>*Clear determination of Major/ Minor behavior definitions, as indicated staff SSCC/PBIS manuals and Behavior Response Plan</p> <p>*Revised referral form</p>	<p>*Core values will continue to be addressed, emphasized, taught, celebrated and implemented systemically. *Each teacher will model explicit expectations according to schoolwide calendar (linked to SEL lessons) *PBIS/SSCC will review behavioral data and identify needs/ trends/ next steps</p>	<p>* PBIS/SSCC will provide staff with PD, faculty updates, and on-going updates to further develop consistency with <i>PBIS/ Restorative Practices / SEL and Second Step lessons</i></p> <p>* PBIS/SSCC team will provide updated discipline data monthly to support universal Tier 1 practices</p> <p>*Establishing consistent/ posted classroom expectations using behavior matrix</p>	<p>* PBIS/SSCC will review, share, highlight and celebrate reduction in behaviors and note areas of growth.</p>	<p>2018-2019 School Year</p>
	<p>Current School Status (informed by data) To What Extent is This</p>	<p>Areas Identified as Needing Improvement</p>	<p>Identified Strategies to Realize Improvement</p>	<p>Measurement and Documentation Options for Determining Improvement</p>	<p>Time Line for Reaching Improvement Goals</p>

	Evident?				
Standard 1: Shared Goals What are the shared priorities?	*Continued commitment to the development of a Safe School Climate Plan through concrete actionable steps that reflect district and school priorities	*The Safe School Climate Plan will continue to maintain, develop, and assess programs and procedures that impact its three domains: 1. School Safety 2. PBIS 3. Bullying Prevention Program	*The Safe School Climate Plan will be deliberate, comprehensive and clear for the school community to understand in their application of practices and procedures that will contribute to maintaining a safe and positive school environment	*The Safe School Climate Plan will include goals and accountability points to be monitored by the PBIS/SSCC * State, district, and school surveys will be used to assess current practices and to identify areas of growth	2018-2019 School Year
Standard 2: Shared School Policies Are there policies that promote the development of skills, knowledge and engagement?	*The East Hartford Board of Education (EHBOE) in accordance with state law has implemented a Safe School Climate Plan for each school *The EHBOE has adopted a wide range of policies that are focused on the continued development of social, emotional, ethical, civic, and intellectual skills	* Will identify a Safe School Climate Team (PBIS/SSCC) which will govern the School Climate Plan with the Safe School Climate Specialist/ (Principal) ▪ Provide annual training of the bullying policy for all stake-holders including the identification, reporting, and verification process ▪ Refine the documentation and maintenance log ▪ Continue to implement prevention and intervention strategies ▪ Complete school climate assessments as determined by the EHBOE	*Building principal/safe school climate specialist will implement the Safe School Climate Plan in accordance with EHBOE policy that will be reflected, shared and monitored in the following manner: - *Review of yearly data *Building principal/safe school climate specialist will conduct yearly professional development ▪ The PBIS/SSCC will continue to support Second Step lessons	* State, district, and school surveys will be used to assess current practices and to identify areas of growth *Informal observations and post-conference feedback	2018-2019 School Year *Annual training in August
Standard 2: Shared School Policies Are these policies in place to address barriers to learning?	*All grade level teachers, coaches and support personnel will participate in SRBI cycles to review data, create intervention and support plans to effectively meet students' academic and social needs.	*Continued development of Tier I,II,III academic, behavioral and social interventions	*Tier I teaching of the expected behaviors will be taught k-5 by all classroom teachers and reinforced by support personnel	* State, district, and school surveys will be used to assess current practices and to identify areas of growth	2018-2019 School Year

National School Climate Standard	Current School Status (informed by data) To What Extent is This Evident?	Areas Identified as Needing Improvement	Identified Strategies to Realize Improvement	Measurement and Documentation Options for Determining Improvement	Time Line for Reaching Improvement Goals
Policies on Dealing with P.A. 11-232 Bullying	Langford has identified a *Bullying Prevention	* Staff proficiency with the implementation of the SEL/	*Ongoing staff training regarding the Second Step	*Feedback from students, parents, staff and	2018-2019 School Year

<p>Allegations: Does the Plan include the specific requirements in An Act Concerning The Strengthening of School Bullying Laws? (This is generally the component of the plan provided to the district by the Law Firm advising the district.)</p>	<p>Program (Second Step) and will continue to address the following:</p> <ul style="list-style-type: none"> ▪ Social Emotional Learning Standards 	<p>Anti-bullying curriculum</p>	<p>curriculum and SEL expectations</p>	<p>administrative team In Climate Survey</p>	
--	--	---------------------------------	--	--	--

National School Climate Standard	Current School Status (informed by data) To What Extent is This Evident?	Areas Identified as Needing Improvement	Identified Strategies to Realize Improvement	Measurement and Documentation Options for Determining Improvement	Time Line for Reaching Improvement Goals
<p>Standard 3: School Practices Are there practices in place to promote positive youth development?</p>	<p>Within classrooms and through existing in school/after school programs, Langford has been able to identify, promote, and respond to student needs through positive programs. Silver Lane offers a myriad of programs including:</p> <ul style="list-style-type: none"> ▪ Team building and cooperative learning activities that foster collaboration ▪ Instrumental music and choral groups ▪ After school activities and clubs; Crossroads ▪ School wide assemblies that foster school community and reinforce positive behavior. ▪ Buddy Classrooms that promote mentoring 	<p>*Staff will continue to implement a curriculum that is developmentally appropriate and supports students' emotional needs</p>	<p>* PBIS/SSCC and SWDT will review student behavioral and attendance data to promote engagement in school</p> <p>* PBIS/SSCC will report monthly to staff for reflection and review of strategies</p>	<p>Data from school, family, student surveys</p>	<p>2018-2019 School Year</p>
<p>Standard 3: School Practices Are there practices in place that enhance teaching and learning?</p>	<p>Curriculum and Instruction: *Rich, engaging, student-centered curriculum in a workshop format *Maintain and improve a system of instructional</p>	<p>*Continued coaching cycles to support implementation of instruction with effective teaching strategy focus in the workshop format</p>	<p>*Cycles of data collection, analysis and reflection on effectiveness of teaching practices on student achievement and behaviors in the Tier I setting</p>	<p>*Grade Level Data Team meeting reflections and action plans</p>	<p>2018-2019 School Year</p>

	<p>coaching, informal and formal observations, team meetings to discuss successful implementation</p> <ul style="list-style-type: none"> * Common Planning Times *Teacher led data reflection cycles guide data driven decision making * SWDT will update faculty through GLAMS 				
<p>Standard 3: School Practices Are there practices in place to address barriers to learning?</p>	<ul style="list-style-type: none"> *Tier I approach to SEL/PBIS teaching *Monthly PBIS/SSCC meetings to review progress and barriers *Continued review of Tier II/ III interventions and effectiveness on student progress, behaviors and attendance through student focused team meetings with classroom teacher and appropriate support staff 	<p>*Effective use of Grade level data teams to review effectiveness on student progress, behaviors and attendance</p>	<ul style="list-style-type: none"> *Continued to provide professional development regarding the Safe School Climate Plan which encompasses School Safety, SSC, and the Bullying Prevention Program *Continued focus on Tier I instructional and behavioral strategies *Continue to provide appropriate math and reading interventions based on data points to ensure appropriate entry and exit in the following Tier II/III support programs *Participate in SRBI cycles of support 	<p>*Continue to use academic and behavioral, and attendance data through the SRBI process as a means to improve Tier I practices and to provide appropriate Tier II/III interventions</p>	<p>*2018-2019 School Year</p> <ul style="list-style-type: none"> *Three SRBI Cycles of Data Review *Team Meetings as requested by classroom teachers

National School Climate Standard	Current School Status (informed by data) To What Extent is This Evident?	Areas Identified as Needing Improvement	Identified Strategies to Realize Improvement	Measurement and Documentation Options for Determining Improvement	Time Line for Reaching Improvement Goals
<p>Standard 3: School Practices Are there practices in place that develop and sustain infrastructure and capacity building?</p>	<p>*Implementation of SIP in three “Big Rock” areas:</p> <ol style="list-style-type: none"> 1. Curriculum and Instruction 2. Data Teams 3. School Climate 	<p>*Continued to monitor progress of the SIP through data collection, collaboration, and professional development</p>	<ul style="list-style-type: none"> *Ongoing cycles of data review- SAM/ GLAMS *SRBI cycles of data review *Progress Monitoring toward benchmarks 	<p>*SWDT will review grade level data to determine trends, needs and next steps in academics, behavior and attendance</p>	<p>2018-2019 School Year</p> <p>GLAMS- Midyear and Year-End</p>

Standard 4: Safe Environment Is the school providing for a physically, emotionally, intellectually safe healthy and welcoming environment?	*Implementation of School Climate Plan with three focus areas: <ol style="list-style-type: none"> 1. School Safety 2. SSC 3. Bullying Prevention Program 	*Continued alignment of PBIS/SSC/SEL expectations with our school-wide PBIS principles *Alignment of Safety Protocol & Responses *Integration of Attendance Team with the SSCC/PBIS committee	*Continue to review and revise school safety protocols which include arrival and dismissal procedures, hallway safety, lockdown procedures, fire drills, evacuation procedures, and response team protocols *Continue to enhance SSC program through the involvement of school climate practices, building capacity in Tiers I,II, and III, and Incentive based programs *Review and revise bullying report, investigative, and verification forms	*Use discipline and attendance data to measure progress and implement school, team, and classroom expectations to enhance positive school climate *Continue to review/practice all safety protocols and procedures	2018-2019 School Year

National School Climate Standard	Current School Status (informed by data) To What Extent is This Evident?	Areas Identified as Needing Improvement	Identified Strategies to Realize Improvement	Measurement and Documentation Options for Determining Improvement	Time Line for Reaching Improvement Goals
Standard 5: Social Justice Is the school engaging in practices that promote the social and civic responsibilities and a sense of social justice within school community?	*Silver Lane staff organizes various civic and social initiatives each school year including but not limited to: <ul style="list-style-type: none"> ▪ Community drive (Clothing, Food, etc) ▪ Various Family Engagement Events *Silver Lane also makes use of student council to support with other service learning projects	*The school community will continue to focus on increased engagement with family and community	*Continue to take an active role in the community by being involved in social and civic functions in partnership with our Community and Family Liaison	*Continued analysis of student, staff, and parent surveys	2018-2019 School Year
Continuous Improvement: Is there a clear understanding that school climate improvement is an ongoing organic process integral to wider school improvement?	The PBIS/SSCC will continue to play a proactive role in planning, guiding and collaborating with staff to devise and implement a school climate plan that is based on the academic and social needs of the school	*The School Climate Team will focus on improving program development in the three areas: <ol style="list-style-type: none"> 1. School Safety 2. SSC 3. Bullying Prevention Program 	*The process of moving the School Climate Team forward will be based on data collection, staff input, and program development	*Continue to analyze discipline data to measure progress and implement school, team, and classroom expectations *Identify strategies to reduce behaviors and improve student decision making *Continue to review/practice	2018-2019 School Year

				all safety protocols and procedures
