Return to open session @ 6:19 PM.

The hearing officer found the following:

That the student, who is the subject of this hearing, was expelled from Windsor Locks High School on January 5, 2015, by the Windsor Locks Board of Education. The student was expelled for the following conduct: On Wednesday, December 17, 2014, the student was found to be in possession of a dangerous instrument (a carpenter's blade) while in school. This conduct also violates publicized policies of the East Hartford Board of Education and constitutes an expellable offense. Based upon these findings, the East Hartford Board of Education adopts the expulsion decision of the Windsor Locks Board of Education, with the effect that the student who is the subject of this hearing is expelled from the all school property and school-sponsored events of the East Hartford Public Schools through January 8, 2016. During that period, the student will be offered an alternative educational opportunity by the Administration.

The meeting was adjourned at 7:08 PM.
