The Board moved:

The Board of Education finds that the student, who is the subject of this hearing, was expelled from the CREC PSA – Civil Leadership Academy on January 12, 2018 by the CREC PSA – Civil Leadership Academy. The student who is the subject of this hearing was expelled for the following conduct: throwing fireworks on and from the window of school bus and opening emergency exit on school bus. This conduct violates publicized policies of the East Hartford Board of Education and constitutes and expellable offense.

Based on these findings, the East Hartford Board of Education adopts the expulsion decision of the CREC PSA – Civil Leadership Academy, with the effect that the student who is the subject of this hearing is expelled from all school property and school-sponsored events of the East Hartford Public Schools through January 12, 2019. During that period, the student shall be offered an alternative educational opportunity to be determined by the Administration. The East Hartford Board of Education authorizes the Administration to readmit the student on a probationary basis, beginning on May 14, 2018 to CREC PSA – Civil Leadership Academy. If, however, after the student's probationary readmission to school, the student engages in any conduct that would warrant suspension or expulsion under the policies of the East Hartford Board of Education, the Administration may reimpose the full period of exclusion from school without the need to reconvene a Board level hearing. Should the Administration reimpose the full expulsion period, the student shall be excluded from all school property and school-sponsored events through January 12, 2019, the date of the original expulsion decision from the CREC PSA – Civil Leadership Academy. During that period, the student shall be offered an alternative educational opportunity to be determined by the Administration.
