The hearing officer found the following:

I find that the Student who is the subject of this hearing was expelled from CREC Academy of Science and Innovation on October 6, 2017 as decided by the New Britain Board of Education, for violating the following sections of the New Britain Board of Education Disciplinary Code of Conduct:

III.C.5. Threatening, intimidating or harassing another student, any school employee, or school transportation personnel.

III.C.6. Possession of any kind of weapon, firearm, or a deadly weapon, dangerous instrument or martial arts weapon.

III.C.15. Violating any school rules.

This conduct also violates publicized policies of the East Hartford Board of Education and constitutes an expellable offense.

Based on these findings, I adopt the decision of New Britain Board of Education with the effect that the Student who is the subject of this hearing is expelled from all school property and school sponsored events of the East Hartford Public Schools for 180 days with the ability to petition for a conditional re-admittance on the first day of the 2018-19 school year.

During the period of expulsion, the Student will be offered an alternative education opportunity at the Woodland school in accordance with the law; however, the Student is not permitted on school property or at any school-sponsored activity.

The meeting was adjourned at 1:30pm
