The meeting was called to order at 5:50 PM by Elisa Bartlett, Hearing Officer.

Dr. Sharon Bremner, Director, Pupil Personnel Services

The hearing officer found the following:

I find that the Student who is the subject of this hearing was expelled from the Antelope Valley Joint Union High School on October 18, 2017 by the Board of Trustees of the Antelope Valley Joint Union High School. The student who is the subject of this hearing was expelled for the following conduct: battery of another student. This conduct violated a publicized policy of the East Hartford Board of Education and constitutes an expellable offense.

Based on these findings, I adopt the expulsion decision of the Board of Trustees of the Antelope Valley Joint Union High School as to the length of the expulsion period, and as such, the student will be expelled from all school property and school-sponsored events of the East Hartford Public Schools until October 17, 2018. During the period of expulsion, the student will be provided with an alternative educational program in the Woodland School. Notwithstanding the above, the Student will be eligible to apply for readmission to East Hartford High School on the first day of the 2018-19 school year, or at any time sooner, if the he demonstrates the following:

1. Academic progress/gains with a positive attitude in school;
2. Regular attendance at the Woodland School;
3. Willing participation in group counseling services at the Woodland School; and
4. No further disciplinary infractions at school and in the community.

If the student is conditionally readmitted, it will be on a probationary basis. The commission of any suspendable or expellable offense will result in exclusion for the remainder of the expulsion period.

The meeting was adjourned at 6:10 PM
