

MEDICATION ADMINISTRATION

Per Connecticut State Statute 10-212a-1 – 10-212a-7, the following must be followed for medication administration by school personnel:

1. All medications must be in original labeled container.
2. Must be accompanied by signed doctor's orders.
3. Parents must have signed form.
4. Nurse needs to sign form.
5. One medication per form.
6. Faxed forms must be followed by a form via mail or delivered by responsible adult within 2 weeks – faxed form is considered a verbal order.
7. Need a new order for each school year.
8. Inhalers need orders on file even if doctor gave permission to self-administer and carry.
9. Medications must be delivered to nurse by a responsible adult. We cannot give if brought by student or Numbers 1 – 8 are not completed.
10. Responsible adult must pick up medication at the end of school year or medication must be destroyed.
