<b>Topic:</b>	Self-evaluation and Setting New Goals
<b>Connections to Goal:</b>	Personalization & Academic
<b>Grade Level:</b>	9
<b>Quarter:</b>	2
<b>Time Needed:</b>	25 Minutes (one advisory session)

---

**Handouts/Materials Provided:**

- New Goal Handout

---

**Summary of Activity for the Advisor:** Students will review their progress on goals established for the semester and revise if needed.

---

**Read/Discuss/Implement with students:**

- Ask students to discuss if they have met their goal or goals they identified in the SMART goals lesson.
- Inform students that they will be reviewing their goals and writing new ones for the new semester.
- Divide the class into small groups (3-5 students). Encourage students to discuss some to the following questions in their small group so everyone can assess their progress. Toward the end of the session, bring everyone together so they can identify common experiences and strategies in setting their goals.
- Distribute to students a new goal worksheet and ask them to write goals for the next semester.
