

Connections Activity

Title/Skill:	All Aboard
Connection Goal:	personalization
Grade Level:	9-12
Month:	
Time Needed:	10-15 minutes

Handouts/Materials Provided:

Tarp (or anything that can be used as a platform), masking tape

Summary of Activity for the Advisor:

1. Place a mat or tarp in the center of the floor. You can also tape markings on the floor to create an area.
2. Students need to arrange themselves so that they are on the area for 5 seconds with no body parts on the ground.
3. You can change the surface area by reapplying tape or folding over the tarp.

Read/Review/Discuss/Do with students:

- Ask students how they felt about the task. How did they reach the strategy they did, etc?
