

Connections Activity

Title/Skill:	Concentration
Connection Goal:	personalization
Grade Level:	9-12
Month:	
Time Needed:	25 minutes

Handouts/Materials Provided:
8x11” cards featuring “team building” terms

Summary of Activity for the Advisor:

1. Set up a boundary marker, then the cards turned over approximately 15 feet from the boundary marker.
2. Participants, 1 at a time, approach cards, face their group, and turn over 2 cards. If they match, leave them turned over and select another two. If they don't match, student goes back behind boundary marker and next participant approaches the cards. The object is to turn over all the cards.
3. If there are enough participants, run two groups with identical cards.

Read/Review/Discuss/Do with students:

- Make it a race between 2 teams.
- Have participants choose the three cards they think are important for a group to get along effectively.
