**Summary of Activity for the Advisor:**

1. This game will require students to be considered “angels” or “demons.” If you’re nervous about these names, you can use “bullies and heroes” or “friends and enemies” etc
2. Place students in a circle. Instruct them to secretly select 2 people from around the circle. The first person will be your “angel” and the second is your “demon.”
3. Tell students their goal is to keep their angel between them (physically) and their demon, without talking or telling anyone who their angels/demons are.
4. Call “start” and watch them go.
5. Call “Stop” and bring them back to debrief.

---

**Read/Review/Discuss/Do with students:**

- Ask students if they can figure out who was playing what roles.
- Tell students to divulge their angels and demons.
- Ask them what other names can be used to play the game.
