

Connections Activity

Topic:	Bing-Bizz-Buzz
Connection Goal:	Personalization
Grade Level:	Any
Month:	January
Time Needed:	15 Min.

Handouts/Materials Provided:

-Chair for each person, arranged in a circular formation.

Summary of Activity for the Advisor:

1. Count starting from 1 and continue on with 2, 3, 4 and so forth. The tricky part is that the #7 or multiples of the #7 cannot be said, instead it will be known as 'BUZZ'. When 'BUZZ' is stated, the count continues on with 8, 9, 10 and so forth, however, the order of counting is reversed.
 2. The object of the game is to accumulate the highest number without saying #7 or messing up the count.
 3. Variations: Use #5 and multiples as 'BIZZ', or #3 and multiples as 'BANG' for increased difficulty.

Read/Review/Discuss/Do with students:

- What made this task difficult or easy? Why?
- How can this relate to subjects you may have in school? Can you think of any other variations to the game?
- How can we work together if someone is consistently having difficulty? (i.e."Lifelines")
