

**East Hartford Public Schools
Parent Form
For Use of Student Photograph,
Group Picture or Student Work
On the Word Wide Web and Video**

East Hartford Public Schools may consider putting your child's photo, group photo, writing, or art work onto our district/school home page. In addition, we will be creating videotapes for the local access channel (Channel 5). Because these documents can be seen by people all over the town or world, we want you to be aware that your child's photo, group photo, writing, or art work may be displayed. For security reasons, **NO names** will be used and work will appear with a copyright notice prohibiting the copying of such work without express permission, those requests will be forwarded to parents. No home address or telephone number will appear. If you do not wish to have your child's photo, group photo, writing, or art work displayed on our website, as part of a videotape, please return the bottom of this form to your school by Friday, September 30, 2005.

***Please fill out this form and return it to school by Friday Semptember 30, 2005.**
